

Project: BUILDING RESILIENT COMMUNITIES
Activity: Christmas Party for Kids and Parents

Location: Baikingon CDO

Date: December 28, 2023

Time: 9:00 am-12:00 pm

The Baikingon Resilient Communities Association in partnership with PIKIFI held a Christmas party together with their kids PIKIFI facilitated the event which started at 9:30 am with a praise of God led by the PIKIFI Community Youth Volunteers.

To start the activity, the participants were divided into two groups. The first group composed of the parents will be facilitated by Ms. Jasmine Manisan a PIKIFI educator and Ms. Juvy Naguita. The second Group will be composed of the children and will be facilitated by Ms. Claire and the PIKIFI Community Youth Volunteers.

The PIKIFI Community Youth Volunteers shared to the children a bible verse “Jeremiah 3:16” and the children responded to it actively as well. After the sharing of the bible verse, the group conducted Parlor games with the children and gave prizes such as Chocolates and biscuits.

On the other hand, Ms. Jasmine and Ms. Juvy oriented the parents with the importance of reading and how they can help their children comprehend. Ms. Jasmine taught them the basic sound and proper pronunciation and lastly, the diphthong sounds.

After the short activity with the children comes the Salo-salo Celebration. Even though the food brought by the beneficiaries and PIKIFI are not that much, everyone was able to eat and they were happy about the fellowship.

After the Salo-Salo, the children gladly received their school supplies.
